YEOVIL & DISTRICT FOOTBALL LEAGUE
Code of Conduct and Respect Guide for Clubs

The League has signed up to the Football Association's Respect Programme to improve standards of behaviour on and off the field. Their programme is a continuous one and not a one-off initiative. All participants in our League have a responsibility to make their Programme a success and they can help by becoming fully aware of the following Code of Conduct. I understand that if I do not follow their code, action may be taken.

For Young Players: As a player you have a big part to play. That is why The FA is asking every player to follow the Respect Code of Conduct and when playing football will:

- Always do your best, even if we are losing or the other Team is stronger.
- Play fairly - I will not cheat, complain, or waste time.
- Never be rude to my Team-mates, the other Team, the Referee, spectators, or my coach/Team Manager.
- Do what the Referee tells me.
- Shake hands with the other Team and Referee at the end of the game.
- Listen to my coach/Team Manager and respect what he/she says.
- Talk to someone I trust, for example my parents or the Club welfare officer if I am unhappy about anything at my Club.

2. For Adult Players: We all have responsibility to promote high standards of behaviour in the game and as a player can play my part on and off the field by:

- Adhering to the Laws of the Game.
- Display and promote high standards of behaviour.
- Promote fair play and behave within the spirit of the Laws of the Game.
- Always respect the match officials' decisions.
- Never engage in public criticism of the match officials.
- Never engage in offensive, insulting or abusive language or behaviour.
- Avoid bullying, intimidation, and poor behaviour.
- Speak to my Team-mates, the opposition, and my coach/Manager with respect.
- Ask my Team captain to talk to the Referee if I have a problem relating to the game.
- Remember we all make mistakes.
- Shake hands with the opposing Team and the match officials at the end of every game.

3. Spectators and Parents/Carers. Play your part and observe The FA's Respect Code of Conduct for spectators and parents/carers at all times by:

- Remaining outside the field of play and behind the Designated Spectators' Area (where provided)
- Never engage in, or tolerate, offensive, insulting, or abusive language or behaviour.
- Always respect the match officials' decisions.
- Applaud effort and good play as well as success.
- Remember that children play for fun.
- Let the coaches do their job and not confuse the players by telling them what to do.
- Encourage the players to respect the opposition and match officials.
- Never criticise a player for making a mistake - mistakes are part of learning.
- The consumption of alcohol is not permitted pitch side during the match or immediately afterwards.

4. Coaches, Team Managers and Club Officials. Play your part and observe The FA's Respect Code of Conduct always by:

- Showing respect to others involved in the game including match officials, opposition players, coaches, Managers, officials, and spectators.
- Adhere to the Laws of the Game.

- Display and promote high standards of behaviour.
 - Always respect the match officials' decisions.
 - Never enter the field of play without the Referee's permission.
 - Never engage in public criticism of the match officials.
 - Never engage in, or tolerate, offensive, insulting, or abusive language
 - Place the well-being, safety, and enjoyment of each player above everything, including winning.
 - Explain exactly what I expect of players and what they can expect from me.
 - Ensure the parents/carers of all players under the age of 18 understand these expectations.
 - Refrain from and refuse to tolerate any form of bullying.
 - Develop mutual trust and respect with every player to build their self-esteem.
 - Encourage each player to accept responsibility for their own behaviour and performance.
 - Ensure all activities I organise are appropriate for the players' ability level, experience, age, and maturity.
 - Co-operate fully with others in football (e.g. officials, doctors, physiotherapists, welfare officers) for each player's best interests.
5. Referees. Be honest and completely impartial always, irrespective of the Teams, players, or Team and Club officials involved in the match:
- Apply the Laws of the Game and competition rules fairly and consistently.
 - Manage the game in a positive, calm, and confident manner.
 - Deal with all instances of violence, aggression, unsporting behaviour, foul play, and other misconduct.
 - Not tolerate offensive, insulting, or abusive language or behaviour from players and officials.
 - Always support my match official Colleagues.
 - Set a positive personal example by promoting good behaviour and showing respect to everyone involved in the game.
 - Communicate with the players and encourage fair play.
 - Respond in a clear, calm, and confident manner to any appropriate request for clarification by the Team captain.
 - Prepare physically and mentally for every match.
 - Complete and submit accurate and concise reports within the time limit required for games in which I officiate.

ADVICE TO CLUB SECRETARIES

If in doubt write to your County Association or your Competition Secretary for advice. Failure to comply with the Rules may cost your Club a League Championship or cup win.

Make every effort to have good First Aid equipment available and, if possible, a qualified person; there may save limbs, trouble, and anxiety.

Make sure **all** players are registered through FA Whole Game prior to playing any matches. Before signing a Services player, write to their Commanding Officer for permission. If injured while playing for a Civilian Club without permission the Service player may forfeit any wages or pension that he is entitled to receive. There is also necessary when a player joins the Navy, Air Force or Army.

Please be sure to have good telephone contact in case of urgent messages. This can save a lot of trouble.

When cancelling a match (for whatever reason) you must be sure to notify your opponents, the League Fixture Secretary, and the Referees Appointments Secretary (otherwise the Referee will travel at your cost). You must also contact the appointed Referee by email or phone (and receive acknowledgement). All cancelled fixtures will be dealt with in accordance with League Rule 20 but if you consider there were extenuating reasons for the cancellation these should be put in writing to the General Secretary or Mini Section Secretary, without delay and state if your Club wishes to be in attendance when the matter is discussed. Make every effort to avoid cancellation of fixtures. Two or three weeks of bad weather could, added to cancellations, bring a complication of fixtures to your Club. It is important that the Fixture Secretary should have the result, or notice of cancellation, of County Cup games immediately; you may be replaying on the following Saturday, and this may enable him to arrange a match for the Team you should have played.

Give all the help you can to your Opponents and Referee. They always welcome good sportsmanship and the provision of good and **secure** changing facilities. Make sure your ground is marked correctly and distinctly as per rule. Failure to adhere to this could mean the *Referee refusing to play a Match*. It is the duty of Club Secretaries to clear Referees' fees and expenses before the Match, this will avoid confusion and misunderstanding. The Yeovil Referees' Society are always pleased and willing to coach and help any candidate who has been brought to their notice. Shortage of Referees is a most difficult problem. Please encourage and invite anyone interested to contact the Yeovil Referees' Society Secretary, Mr I. Harley, telephone: 07884 266967.

Ensure the results and match details are entered onto the FA Fulltime system in a timely manner.

Please pass the following advice to your Team Managers and Coach's.

Ensure the results and match details are entered onto the FA Fulltime system in a timely manner.

Please pass the following advice to your Team Managers and Coach's.

ADVICE TO MANAGERS AND COACH'S

The start of the season - please ensure that you have verified your email address with FA Fulltime website and checked your mobile number is correct. If you need to change your mobile number please email the League Secretary via **YDFLSecretary@yahoo.co.uk** for Junior and Youth Teams, or **yeovilSecretary@hotmail.com** for Mini Teams

Pre-Match Day - you will receive your fixtures via the FA Full Time website. If you are the home Team then please contact the opposition Manager and confirm kick off time and venue. Please contact your allocated referee using the details provided by FA Fulltime at the very least 24 hours before kick-off. 48 hours recommended (subject to appointments as these can be on the day, if necessary). This should confirm KO time, Post code of match and if possible, agree the fee to ensure the correct amount is available on the day (this can be likely to change due to road closures etc).

If you do not have a League appointed Referee, then please find someone that can officiate the match and supply the name of the 'stand-in' referee to the Referee appointments officer.

Please remember that the Referee must be paid on the day before the game. If you do not have a League appointed Referee, then please find someone that can officiate the match. If you have a query regarding Fixtures then please contact the Junior League Fixture Secretary via **yeovilLeague@yahoo.co.uk**, the Youth League Fixture Secretary via **DaveandMonH@aol.com** and the Mini League Fixture Secretaries via **yeovilu12fixtures@gmail.com** and any Referee queries please contact the **Junior League Referee Appointments Secretary** via **yeovilrefs@gmail.com**, **Youth League Referee Appointments Secretary** via **yeovilyouthrefs@gmail.com** or **Mini League Referee Appointments Secretary** via **yeovilminisectionrefs@gmail.com**

Match Day - please ensure that someone meets / greets the Referee, confirms who will be their allocated club assistant referee for the fixture and shows the referee and opposition where the changing rooms are etc. You will receive a SMS message from the FA Full Time website regarding the match. After the match please text back the score Home Team score first e.g. 2:1 (Home Team 2 – Away Team 1)

Post-Match Day - you will need to log onto the FA Full Time website. On the website, you will need to enter your squad details, respect marks and Referee marks within 72 hours of the date the game was played. If you have any queries with entering your League stats then please contact the League Results Secretary's via **Junior League yeovilresults@hotmail.com, Youth League DaveandMonH@aol.com, Mini League U12 yeovilu12fixtures@gmail.com (for U12 fixtures) or yeovilminifixtures@gmail.com (for development fixtures)**

SAFEGUARDING

Safeguarding is everyone's responsibility. This means that all organisations running football – and everyone working or volunteering in football – must play their part. The shared and unequivocal goal must be to ensure the game is safe and enjoyable for all.

The FA leads the game with its safeguarding strategy, policy, procedures, and regulatory framework. It also delivers a safeguarding education programme, technological infrastructure, resources, and expertise through its centralised safeguarding Team.

The FA Safeguarding Case Management Team manages the most challenging child protection cases, including all sexual abuse cases. County FA (CFA) Designated Safeguarding Officers may help with these cases.

However, the decision-making, risk assessment and risk management responsibilities sit firmly with The FA.

County FA's and Leagues play a crucial role in enabling youth football across England. CFAs have the responsibility for overseeing safeguarding at their level of the game.

Consistency is key. The CFA Safeguarding Operating Standard sets out a framework for the consistent delivery of safeguarding across grassroots football. It is intended to support CFAs to meet their responsibilities in relation to the youth football activity they oversee. As we move into the 2021/22 season certain aspect of the standard have been amended to include Safeguarding Adults in Disability Clubs, there enhances the work already being done.

The Standard is underpinned by government guidance and aligned to the Sport England/NSPCC national standards for safeguarding and protecting children in sport.

Safeguarding is an ever-present priority for football. It should always be front and centre; it is not about making sure it is in place tomorrow. It must be in place now. It will always require our constant vigilance and professionalism.

The intention is to enable the safeguarding framework in grassroots football across England to be as robust as it can be. It underpins all our work to fulfil the shared goal: to ensure the game is safe and enjoyable for all.

Thank you to all our volunteers for the continuous work you do to ensure football is safe, not sorry.

If you have any queries concerning Safeguarding contact the League Welfare Officers, Junior, and Youth League **ydfwelfare@gmail.com , Mini League yeovilwelfare@hotmail.co.uk**

WELFARE

The joys of being a Football Welfare Officer

Every grassroots club has to have one. Does anybody really want to be one.

The list of jobs is endless. A guarantee at the end you will be friendless.

It seems easy at first look. Wish there were a simple guide book.

Just make sure coaches have a DBS and training I was told. Little did I know how much more would unfold.

There's a system for DBS so surely its easy. It didn't take long to feel uneasy.

A system that loves duplicate or and triplicate users adds to the fun. What I would give for all our coaches just to have one.

I still don't believe the hours it takes. Don't let anybody tell you it's a piece of cake.
My record to date. 40 hours of my time for a DBS that was an epic wait.
Add to that training. Its guaranteed to be more hours of explaining.
We have a clear strategy to ensure we meet FA rules. Surely every coach appreciates having the right tools.
I spend hours chasing. It often sets my heart a racing.
Over 400 kids are in my charge. Sometimes the pressure feels extra-large.
If only that was all, those really are the simple things. It's the handling of complaints that really creates the stings.
When all games are done it's a waiting game. You never know what is going to be the claim.
Everywhere in football we talk about respect. I am sure we all know what to expect.
But still every week it's in short supply. I really don't understand why.
If only everyone could enjoy the games. There is no need to be calling people names.
Just remember to be kind. Stop losing your minds.
The impact of your behaviour is far reaching. Do you really need more teaching.
For every welfare officer out there. Just remember without you your club is going nowhere.
Be Safe - Play Safe

GENERAL DATA PROTECTION REQUIREMENTS (POLICY)

Our Policy

The Yeovil and District Football League (YDFL) is committed to complying with data protection law and to respecting the privacy rights of individuals. The policy applies to all our League Council committee (LCC), volunteers and supporters. The General Data Protection Requirement (GDPR) as set out by the UK Government will take priority over their policy where necessary. A full version of the YDFL GDPR Policy is available upon request to the Secretary.

This Data Protection Policy (“**Policy**”) sets out our approach to data protection law and the principles that we will apply to our processing of personal data. The aim of their Policy is to ensure that we process personal data in accordance with the law and with the utmost care and respect. To clarify and make the policy more understandable and relevant to YDFL, sections have been reduced by removing references to workers and companies, as necessary. The main requirements have been left in place and the omission of items does not mean the individuals are exempt from the GDPR and Data Protection acts as implemented by the UK Government.

We recognise that we have an important role to play in achieving these aims. It is your responsibility, therefore, to familiarise yourself with their Policy and to apply and implement its requirements when processing any personal data.

This Policy is not an exhaustive statement of data protection law nor of our or your responsibilities in relation to data protection. If at any time you have any queries on the Policy, your responsibilities, or any aspect of data protection law, seek advice. Contact a member of the LCC.

Once registrations are approved and complete the Youth and Mini league registration Secretary will destroy all registration forms and ID paperwork.

Only the League Secretary, acting as data officer for the league, will hold names and addresses of club Secretary, Chair and Treasurer for communications.

RULES

Preamble

STANDARD CODE OF RULES

This document contains the Standard Code of Rules developed by The Football Association for open age football (the “Standard Code”).

The Standard Code is mandatory for all Competitions at Regional NLS Feeder League level and Tier 7 and below of, The FA Women’s Pyramid.

Competitions seeking sanction must draft their Rules in conformity with the Standard Code, using the same numbering and standard headings.

The mandatory rules are printed in normal text and the optional rules in italics.

It should be noted that in many cases rules are so printed because they are alternatives and the procedure to apply should be retained and the others omitted.

In all cases where a [] is shown the necessary name, address, number, or wording to complete that rule must be inserted.

Competitions may add to the core of the Standard Code, which is mandatory, providing the additions are approved by the Sanctioning authority and do not conflict with the mandatory rules or any relevant principles and policies established by The FA.

No registration will be accepted after 31st March. To be eligible a player shall not have reached the age of 16 years or be a minimum age of not less than 14 years, before the 1st of September immediately prior to current season. A Club may at its discretion and in accordance with the Laws of the Game and permission granted by the Football Association, use three substitute players in any match in this Competition. 6. (a) The ties shall be drawn, the dates fixed, and the matches played as the Council may determine. Teams drawn at home whose ground is unavailable on the reserved date for a round of the competition, other than from the result of adverse weather conditions, **must find an alternative venue or play the tie on their opponents' ground.** Where a venue is deemed unplayable due to adverse conditions the tie will be switched to the opponents ground, The "away" team becomes the "home" team and is responsible for match officials fees and expenses. - (c) If, before both Teams have taken five kicks, one has scored more than the other could, even if it were to complete its five kicks, the taking of kicks shall cease.
 - (d) If, after both Teams have taken five kicks, both have scored the same number of goals, or have not scored any goals, the taking of kicks shall continue, with the kicks taken by the remaining team players not involved in the first five kicks, in the same order until such times as both have taken an equal number of kicks (not necessarily five more kicks) and one has scored more than the other. In the event that the score is still equal after all players have taken kicks the rules C) and D) will be repeated until there is a result.
7. In the event of any Club failing to conduct an engagement on the agreed date, (unless engaged in a competition which has precedence), they shall be fined not less than in accordance with the tariff of fines and be ruled out of the competition. Where a competition is to be run on a League basis, all cancellations will incur a fine in accordance with the tariff of fines and the game will be awarded to the opposition. In the event of any Club failing to complete a Semi-Final or Final Tie it shall be fined in accordance with the tariff of fines respectively and be dealt with at the discretion of the Council. Any Club withdrawing from the competition prior to the Semi-Final shall be fined in accordance with the tariff of fines.

Appendix 1

GUIDANCE FOR MARKING REFEREES

The mark awarded by a Club must be based on the Referee's overall performance, and it is most important that the mark is awarded fairly and not based upon isolated incidents or previous games.

The Referee's performance should be determined by the list below, which should function as a guide for the overall mark, which should fall within the mark range for each standard of performance.

Overall Decision Making **(Mark 1-40)**

Judgement of Major Decisions **(Mark 1-30)**

Overall Control and Player Management **(Mark 1-30)**

Mark Range / Comment

91-100 The Referee was extremely accurate in decision-making and very successfully controlled the game using management and communication skills to create an environment of fair play, adding real value to the game.

81-90 The Referee was fully accurate in decision-making and successfully controlled the game using management and communication skills to create an environment of fair play.

71-80 The Referee was accurate in decision-making and controlled the game well, communicating with the players, making a positive contribution towards fair play.

61-70 The Referee was reasonably accurate in decision-making, controlled the game quite well and communicated with players, establishing a reasonable degree of fair play.

51-60 The Referee had some shortcomings in the level of accuracy of decision-making and control, with only limited success in communicating with the players resulting in variable fair play.

50 The Referee had significant shortcomings in the level of accuracy of decision-making and control with poor communication with players which resulted in low levels of fair play.

Clubs who award less than 60 marks to a Referee must, as per F.A. instruction, submit a written report to the Referee Secretary explaining the reasons.

Temporary Dismissal (Sin Bin) for Yellow Card (YC) C2 Offences - Dissent

Players Only

Temporary dismissals apply to all players (including goalkeepers) but not for C2 Offences committed by a substitute or substituted player.

Referee's Signal

The Referee will indicate a temporary dismissal by showing a yellow card (YC) and then clearly pointing with both arms to the temporary dismissal area (usually the player's technical area).

The Temporary Dismissal Period

The length of the temporary dismissal will be 10 minutes for the Junior League and 8 minutes for the Youth League. The temporary dismissal period begins when play restarts after the player has left the field of play. The Referee should include in the temporary dismissal period any time 'lost' for a stoppage for which 'additional time' will be allowed at the end of the half (e.g. substitution, injury, time wasting etc...). Where neutral assistant Referees or 4th officials are appointed, they will help the Referee time the dismissal period – alternatively each Club should nominate where possible a Team official to assist. The Referee remains the sole judge of the time. Once the temporary period has been completed, the player can return from the touchline with the Referee's permission, which can be given while the ball is in play. The Referee has the final decision as to when the player can return.

A temporarily dismissed player cannot be substituted until the end of the temporary dismissal period. If a temporary dismissal period has not been completed at the end of the first half (or the end of the second half when extra time is to be played) the remaining part of the temporary dismissal period is served from the start of the second half (start of extra time). A player who is still serving a temporary dismissal at the end of the match is permitted to take part in Kicks from the Penalty Mark (penalties).

Temporary Dismissal Area

A temporarily dismissed player should remain within the technical area (where one exists) or with the Team's coach/technical staff, unless 'warming up' (under the same conditions as a substitute).

Offences during a Temporary Dismissal

A temporarily dismissed player who commits a cautionable (YC) or sending-off (RC) offence during the temporary dismissal period will take no further part in the game and may not be replaced or substituted.

Further disciplinary action

All temporary dismissals will be reported in the same manner as other cautionable offences. Further disciplinary action will be taken in relation to suspension for accumulating a number of cautions and RESPECT sanctioning for Clubs. Sin Bin Offences do not attract the £10 Administration fee.

Temporary Dismissal causing abandonment.

If a player receives a 2nd temporary dismissal in the same match and cannot be replaced or substituted, which results in their Team going below seven players, the match is to be abandoned at that point.

Temporary Dismissal Systems

IFAB have authorised the use of one of the following temporary dismissal systems:
System A – for all cautions (YCs) or System B – for some but not all cautions (YC).

The FA will be using System B – Temporary Dismissal for some not all cautions (YCs) and will apply for C2 Offences – Dissent

All other cautionable offences are punished with a caution as normal (YC).

- A player who has been temporarily dismissed and then receives a caution (YC) continues playing.

- A player who has received a caution (YC) and then receives a temporary dismissal can continue to play after the end of the temporary dismissal period.
- A player who receives a second temporary dismissal in the same match will serve the temporary dismissal and then take no further part in the match. The player may be replaced by a substitute at the end of the second temporary dismissal period (subject to the next bullet point).
- A player who receives a second temporary dismissal in the same match and has also received a caution for another YC offence takes no further part in the match and the player cannot be replaced/substituted.

Temporary Dismissal Matrix

Sin Bins

Temporary Dismissals - otherwise known as 'sin bins' - will become mandatory for matters of dissent across all of grassroots football from the 2019/20 season.

HOW DO YOU FIND YOURSELF IN THE SIN BIN?

Players will only go in to the sin bin for dissent cautions

For use of words or gestures questioning or undermining the ref's decisions

EXAMPLES OF DISSENT

- Shouting at the ref
- Questioning ref's ability
- Slamming the ball in to the ground
- Sarcastically clapping a decision

DURATION OF A SIN BIN

For matches of 90 minutes, players spend 10 minutes in the sin bin

For matches of all other lengths, players spend 8 minutes in the sin bin

If the sin bin period has not expired at the end of:
1st half: Continues into 2nd half
2nd half: Continues into extra time
Extra time: Player can participate in penalties

THE MATCH DAY PROCESS

Dissent

Dissent caution: Ref issues a yellow card and directs the player to the touchline

Player can't be substituted until period expires and not if all subs have been made

Whilst in the sin bin, if the player commits a yellow or red card offence they can't take any further part in the game and can't be substituted

If the player commits a 2nd dissent caution and has already been booked, they will take no further part in the game and can't be substituted

If the player commits a 2nd dissent caution and no other offences, they will receive a 2nd sin bin. After which they can't take any further part in the game but can be substituted

If the player commits a yellow card offence on the field of play in addition to a period in the sin bin, they will continue to play

Ref decides when player returns to play

FOUL AND ABUSIVE LANGUAGE IS STILL A RED CARD OFFENCE!
